

INTERNATIONAL  
**BioGENEius**  
CHALLENGE

sponsored by

## 2011 International BioGENEius Challenge

The prestigious International BioGENEius Challenge is a Biotechnology Institute initiative in collaboration with Janssen and sanofi pasteur. This initiative has grown to national and international prominence out of the Sanofi-Aventis Biotech Challenge (SABC) and BioGENEius Award, which owe their beginnings to the 1994 Biotechnology Industry Organization's (BIO) International Convention.
