

## **Biography – Greg Krissek**

ICM's Director of Government Affairs, Greg Krissek, represents the company on state and federal matters relating to ethanol policy and overall industry development. He has 20 years of experience working with ethanol and renewable energy projects as well as related public policy.

Greg currently serves on the board of Growth Energy as its Technical and Environment Committee Chair. He previously served as chair of the Ethanol Promotion and Information Council (EPIC) board as well as chair of the National Ethanol Vehicle Coalition (NEVC) board. He also serves as a board member of the American Coalition for Ethanol (ACE), Kansas Association of Ethanol Processors, and KansasBio. In addition, he represents ICM on six ethanol plant boards of directors. He also served five years as the biofuels and agriculture representative on the Kansas Governor's Energy Council.

Prior to joining ICM in 2003, Greg spent three years as Director of Operations with the offices of the Kansas Corn Commission, Kansas Corn Growers Association, and Kansas Grain Sorghum Producers Association. He also worked with the Kansas Department of Agriculture (KDA) for 11 years, including three years as Assistant Secretary. While at KDA, he served as chief staff coordinator for the Governor's Ethanol Coalition.

Greg holds a B.A. in Economics and Political Science from Rockhurst University in Kansas City as well as a law degree and MBA from the University of Denver.

With approximately 300 employees, ICM designs, builds, and supports ethanol plants as well as serves as a leading ethanol industry advocate. For more information, visit [icminc.com](http://icminc.com).
