

Bioscience Industry 2009 Legislative Survey:

1. Name:

Pat Colloton

2. What is the office seat you are running for and in what district is that seat?

State Representative, District 28

3. FEDERAL RESEARCH INITIATIVES - Do you support recruiting large-scale federal research initiatives to Kansas, such as the National Bio and Agro Defense Facility which several state stakeholders are currently trying to recruit to Manhattan, Kansas? If yes, how involved should the Kansas legislature be in these recruitment efforts? Do you feel the state of Kansas has assembled the right kind of coalition to go after projects of this magnitude?

Yes I support recruiting large-scale federal research initiatives like the National Bio & Agro Defense Facility. The legislature should offer financial support to make the recruiting effort successful.

4. ECONOMIC DEVELOPMENT - At what level of funding do you support the following state-funded economic development agencies, programs and incentives?

Also, please use the space below to explain any new program/incentive ideas you may wish to introduce or how you plan on reallocating resources.

KTEC - unsure

Business M&E - unsure

HPIP Investment tax credits - unsure

HPIP Training & Education - unsure

6. STEM CELLS - During the 2008 Kansas legislative session, legislators did not engage in much stem cell research or definition discussion, while in other states (such as Missouri), the topic seemed to dominate their legislative session. Do you feel that stem cell definitions and guidelines should be determined at the federal level or at the state level?

I do not support involvement at the state level.

7. INTELLECTUAL PROPERTY PROTECTION - Do you support helping to establish guidelines for intellectual property (IP) protection for bioscience companies who wish to partner and engage in research projects with Kansas' research universities?

Yes.

8. BIOSCIENCE INDUSTRY GROWTH - What are one or two areas where you feel you could impact the growth of the biosciences industry in Kansas?

I am helping pass the Triangle initiative in Johnson County.
