

Bioscience Industry 2009 Legislative Survey:

1. Name:

Kevin Yoder

2. What is the office seat you are running for and in what district is that seat?

State Representative, 20th District

3. FEDERAL RESEARCH INITIATIVES - Do you support recruiting large-scale federal research initiatives to Kansas, such as the National Bio and Agro Defense Facility which several state stakeholders are currently trying to recruit to Manhattan, Kansas? If yes, how involved should the Kansas legislature be in these recruitment efforts? Do you feel the state of Kansas has assembled the right kind of coalition to go after projects of this magnitude?

Yes. This is one of my top priorities. We should come to provide a framework of support, including financing and statutory coordination of interest groups.

We have assembled an impressive crew that has put us in a position that if the NBAF site is decided on the merits, Kansas shall succeed.

4. ECONOMIC DEVELOPMENT - At what level of funding do you support the following state-funded economic development agencies, programs and incentives?

	Increase Funding	Maintain Funding	Decrease Funding	Eliminate Funding
Kansas Bioscience Authority (KBA)	-	Selected	-	-

ECONOMIC DEVELOPMENT - Using your answers to the economic development funding question above as a guide, please explain your rationale for either increasing, maintaining, decreasing or eliminating funding for each agency, program or incentive. Also, please use the space below to explain any new program/incentive ideas you may wish to introduce or how you plan on reallocating resources.

(No answer on written survey)

6. STEM CELLS - During the 2008 Kansas legislative session, legislators did not engage in much stem cell research or definition discussion, while in other states (such as Missouri), the topic seemed to dominate their legislative session. Do you feel that stem cell definitions and guidelines should be determined at the federal level or at the state level?

Federal level.

7. INTELLECTUAL PROPERTY PROTECTION - Do you support helping to establish guidelines for intellectual property (IP) protection for bioscience companies who wish to partner and engage in research projects with Kansas' research universities?

Yes!

8. BIOSCIENCE INDUSTRY GROWTH - What are one or two areas where you feel you could impact the growth of the

biosciences industry in Kansas?

- 1) Ensuring the continuation of funding to support life saving cures for Kansans by promoting NCI designation for KU Med Center.
- 2) Strong support of the Kansas Bioscience Corridor throughout the state of Kansas.
