

## Meetings & Presentations

KansasBio is planning several events during BIO 2007 that will provide Kansas an opportunity to showcase the biosciences in Kansas; highlight bioscience companies that are starting, expanding and moving to Kansas and promote Kansas thought leaders and executives. These strategically planned activities will help show the world that we are serious, aggressive and ready to grow in the biosciences!

### SKY BOX

The Kansas Pavilion offers a semi-private meeting area on the second floor of the Kansas Pavilion, suitable for up to 16 people. The Sky Box will be home to Media Mornings, Kansas "Big Thinker" presentations and other planned briefings and meetings.

As a member of our Kansas Delegation, you can reserve the Sky Box for private meetings. Reservations can be made at anytime including during the convention by calling **785.296.3363**.

"As Kansas has prioritized growing this industry, our voice needs to be cohesive, clear, constant. We're working at every turn to provide this voice, while contributing to the solutions."  
-- Angela Kreps, KansasBio President

## Kansas Activities at BIO 2007

### BIO 2007 SPRING TRAINING

KansasBio will host pre-BIO 2007 meeting on **April 26 from 4 - 6 p.m. at the Kansas Bioscience Authority** offices, 25501 West Valley Parkway in Olathe, for Kansas Delegates. The meeting is important as it will assist the Kansas Delegation in understanding the mechanics of the show, provide important housekeeping information and ensure sponsors and Delegates receive all relevant and updated information about Kansas activities prior to the convention.

### WELCOME TO BIO

KansasBio is planning a "Welcome to BIO Warm-Up" get-together in Boston on **Sunday, May 6 at 7:30 p.m. at the Hotel Commonwealth**, 500 Commonwealth Avenue in Boston, for sponsors and Kansas Delegates to check-in, receive their information packets and ask questions.

### MEDIA MORNINGS

KansasBio has partnered with the Kansas Agricultural Network, the state's largest radio network, to provide listeners across Kansas up to the minute information from BIO 2007. In addition, we will be inviting the national and international media at BIO to attend this KansasBio feature and spread our industry news to the world. The Kansas Agriculture Network will conduct exclusive interviews with leaders, bioscience executives and scientists to showcase Kansas' growing bioscience industry. Media Mornings will begin in the Boston Convention & Exhibition Center at the Kansas Pavilion, #2621 at **9:30 a.m. on Monday, May 7 and 10 a.m. on Tuesday, May 8**. Kansas Delegates are welcome to attend and listen to the thought leaders and bioscience executives talk about growing the biosciences in Kansas.

### KANSAS RECEPTION & AWARDS CEREMONY

KansasBio is hosting a cocktail reception and industry awards' ceremony **Monday, May 7 at the Seaport Elite**, Commonwealth Pier at the Seaport World Trade Center. This very intimate and exclusive reception will be an opportunity for the Kansas Delegation to talk with Kansas "Big Thinkers," public officials and bioscience executives; discuss ways on how to consistently tell the world where Kansas has strengths, opportunities and a path for growth and celebrate the industry members that are starting, expanding and locating in Kansas.

### KANSAS PAVILION HOSPITALITY RECEPTION

KansasBio will host a "Big League BIO" Hospitality Reception **Tuesday, May 8, 2007 from 5 - 6:30 p.m.** in the Boston Convention & Exhibition Center, Kansas Pavilion, #2621. The reception will be an opportunity for statewide partners and Kansas Delegates to showcase the Kansas Bioscience Initiative and Kansas' pioneering spirit and commitment to advancing the state's bioscience industry and research base.
